3. Using the RocStar Prototype

3.1 General Usage of the RocStar Application

3.1.1 Home screen - this screen shows some general information about the Roc Solid Foundation and the efforts it is involved with. From this page, you can also give to the Roc Solid Foundation or view their website.
General Usage of the RocStar Application

3.1.2 User profile - this is the area of the application that your personal information is stored in. Don't worry, we keep your information private and we do not sell it to advertisers.

3.1.2.1 View profile - you can view your profile as it appears in our database. When you view your profile, your information is auto-populated so you can see the information we have on record for you.

3.1.2.1.1 Personal information - the following personal information is stored in the RocStar database:

- 3.1.2.1.1.1 First Name
- 3.1.2.1.1.2 Last Name
- 3.1.2.1.1.3 Address
- 3.1.2.1.1.4 Email
General Usage of the RocStar Application

3.1.2.1.5 Username

3.1.2.1.6 Password

3.1.2.1.7 Hospital affiliation (if applicable)

3.1.2.2 Edit profile - on this screen, you are able to edit your profile information. If you have any information that is changed, it's best for us to get your up-to-date information. First, click to view your user profile. Then, choose "Edit" at the bottom of the page. When you choose to edit your user profile, you can edit the information saved in the RocStar database.
General Usage of the RocStar Application

3.1.2.2.1 Personal Information - you may edit the following personal information in your user profile:

3.1.2.2.1.1 First Name
3.1.2.2.1.2 Last Name
3.1.2.2.1.3 Address
3.1.2.2.1.4 Email
3.1.2.2.1.5 Username
3.1.2.2.1.6 Password
3.1.2.2.1.7 Hospital affiliation (if applicable)
General Usage of the RocStar Application

3.1.3 Donate to the Roc Solid Foundation - from the Bookmarks page, you may click a link that will take you directly to Roc Solid's website to make a donation. Doing so helps Roc Solid continue to help children in need all across the country.
General Usage of the RocStar Application

3.1.4 Sign us as a project Volunteer - on this screen, you can volunteer to participate in Roc Solid events and projects in your area. You'll have to sign a waiver, and that's on this page as well.
