# Introduction

Welcome to the RocFamily Webapp! Thank you for choosing our app developed by Old Dominion University's CS411W Team Red. The purpose of the RocFamily Webapp is to help RocSolid staff members interact and assist impacted kids and the families while they get through this difficult time.

## Product Summary

The RocFamily Webapp is divided into two parts and administrator side and a end user side.

RocFamily Webapp administrator side is a web-based application that allows RocSolid administrators to register new administrators, add and delete multiple links for Rocfamily Webapp end users, and allow chat functionality with RocFamily end users. The RocFamily Webapp allows insertion and deletion of game links, movie site links, local area deals, local area events, and local establishments to order food.

RocFamily Webapp end user side is a web-based application that allows RocSolid end users to access game links, movie site links, local area deals, local area events, and local establishments to order food. It includes a chat program for Rocsolid end users that allows the users to connect with RocSolid staff members.

## Login Page

This is where the magic begins. If you have a username and password, you would enter it here and click login. If you do not have a login there is a register page for those not lucky enough username and password yet. You just need to click the register button.

## Home Page

Congratulations!! If you have made it this far this means you have been able to login. You should feel very special as most people do not even get this far. Below you can see all the wonderful people who have administration duties. You can also delete an administration user by clicking delete under the user profile. Go ahead and try it, well actually don't but if you do we never saw anything. At this point, if you are bored you can click logout to leave but that would make us sad.

The screenshot shows the RocFamily website interface. At the top is a dark blue navigation bar with the RocFamily logo and menu items: Home, Games, Movies, Coupons and Deals, Events, Food, Chat. Below the navigation bar, the text "Welcome, 1!" is displayed. A section titled "All registered users:" contains a table with five columns and five rows of user data. Each row has a "Delete" button below it. At the bottom of the table area is a "Logout" button. A copyright notice "© 2018 Roc Solid Foundation ©." is visible at the bottom of the page.
