For students taking the boot camp as CS-395					

Things germane to taking the boot camp for credit

- A laundry list of things:
 - An additional assignment, program or paper
 - Analysis that takes some work:
 - Submit and get approval for ideas that take the partial datasets from the boot camp and address some of the suggested ideas
 - Download the USC as XML and conduct analysis similar to the airport explorations (see next slide)
 - Other approved ideas
 - A paper a system design and demonstration document showing how to scale the system(s) developed during the boot camp to enterprise size

The CS-395 course syllabus is attached.
