Commo Neo Timeline

Task	Starting Date	Completion Date
Identify components for prototype	Sept. 8, 2005	Sept. 15, 2005
Research cost and availability of prototype components	Sept. 15, 2005	Sept. 22, 2005
Determine what software capabilities must be developed for prototype to be successful	Sept. 15, 2005	Sept. 29, 2005
Develop interfaces for interaction between software modules	Sept. 22, 2005	Oct. 6, 2005
Obtain prototype components	Sept. 22, 2005	Oct. 6, 2005
Task team members to specific modules for development	Sept. 29, 2005	Oct. 6, 2005
Research Bluetooth specifications and hardware component documentation	Oct. 6, 2005	Oct. 20, 2005
Develop software modules	Oct. 13, 2005	Nov. 3, 2005
Test software modules	Oct. 27, 2005	Nov. 10, 2005
Integrate software with hardware and test	Nov. 10, 2005	Nov. 22, 2005
Product user manuals	Nov. 8, 2005	Nov. 29, 2005
Product web page	Nov. 15, 2005	Dec. 6, 2005
Product prototype	Sept. 22, 2005	Dec. 15, 2005
Production development specifications	Sept. 22, 2005	Dec. 15, 2005
