

Grad Student Projects

- Select one or propose one to me
- Must be demonstrated at the end of the semester
- Extra credit (10 pts) for an additional project
- Not merely “check a box”
 - Must be fully integrated for credit
 - “Fully” determined at instructor discretion
 - 2-page, ACM-style write-up of project

Example Extra Projects

- OpenSearch Feature
 - All posts; within/between channels
 - Compare and measure f-measure of FULLTEXT, LIKE, etc.
- Incorporate bot commands
 - Document, describe, usage, etc.
 - Initiated by the '/' character in the text box
- Mobile site presence
 - Mobile determination (m.XXX, adaptive design, etc.) up to student
 - Mobile alerts
- 2FA
- Twitter/Github integration, Analytics
